

Dear Parents and Carers,

Welcome to the Kew High School community. We look forward to working with you to provide a vibrant and enriching education for your child over the coming years.

Victorian schools provide free instruction to fulfil the standard Victorian curriculum and the Kew High School Council assures you that all contributions are voluntary. Nevertheless, the ongoing support of families ensures the viability of many of our innovative programs. Your support allows us to offer the best possible education and support of your students.

Kew High School offers all students:

- A rigorous curriculum that is designed to meet diverse interests and teach students to think inclusively, critically and to apply their knowledge creatively.
- A wide range of co-curricular programs to support a sense of community and connectedness to school whilst allowing all students to achieve success and be celebrated.
- A wellbeing program that places students at the centre of the school's work and ensures that each student is known and supported throughout their years at Kew High School.
- A high performing school with a culture of excellence.

Kew High School is dependent on voluntary financial contributions from parents to achieve the best possible education and support for our students. Voluntary parent contributions support the curriculum programs, school services and resources. Voluntary parent contributions ensure the operation of the school's extended learning program, specialist staff and the purchase of additional equipment. The Kew High School Library and the VCE Centre are examples of upgrades that can be achieved with your support through tax deductible donations to the Building Fund.

Parent Payment Policy

The Department of Education and Training (DET) Parent Payment Policy provides advice on the different types of voluntary parent contributions that schools may request from parents and outlines the procedures and protocols to which schools must adhere. The Kew High School Council is responsible for developing and approving a school-level parent payment arrangement that is compliant with the Department's policy. The DET policy is available here <https://www2.education.vic.gov.au/pal/parent-payment/policy> or a hard copy is available on request from the general office.

Financial help arrangements

Kew High School offers a range of supports to families who are experiencing financial hardship. The DET also provides a range of supports to families that will complement the school supports. The school-based arrangements could include establishing payment instalment plans and providing access to school resources. The DET arrangements include access to a range of government-funded support programs including the State School's Relief Fund, the Camps, Sports and Excursions Fund (CSEF) as well as a range of student scholarships.

Families should contact the school via kew@kew.vic.edu.au or 9092 7500 to enquire about these supports.

Course Confirmation

We ask parents and carers to confirm enrolment through the compass course confirmation by Wednesday 6th December 2023.

Parent contributions should be made via this online portal. If you need to pay at the office, you should bring your printed Form to the General Office.

Kew High School also requires submission of your child's Birth Certificate OR Passport and Visa together with the signature page at the end of the enrolment confirmation process. Copies of these can either be delivered in person to the school office or forwarded via email to kew@kew.vic.edu.au

Child Safety

Kew High School is committed to the safety and wellbeing of all children and young people. This is the primary focus of our care and decision-making. For more information on Kew High School Child Safe Policy please see the website: <http://www.kew.vic.edu.au/page/81/Commitment-to-child-safety/>

The Principal and the Business Manager are available if you wish to discuss any matters concerning parent contributions. The Kew High School Council relies upon and thanks you for your continued support.

Yours sincerely,

James Thyer
School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
